dell'ambiente e della salute
LEGGE REGIONALE DELL'EMILIA-ROMAGNA 28/99

Parma 27/05/16

The undersigned **Gianni Brusatassi** President of ASIPO Agricultural Association based in Via Tazio Nuvolari 44/A PARMA (PR)

Collaborates in several years, with Mr Davide Candiani owner of Blockfood International Srl for the implementation of processing plants in the Agro-Food Industry.

The collaboration between ASIPO and Blockfood International consist in a mutual consulting:

ASIPO support Blockfood International Srl with their own Agronomist and with their experience in the cultivation of vegetables more so in the tomato cultivation, indicating the best seeds fertilizers and pesticides, and on the specific methods cultivation for industrial tomatoes.

Blockfood International supports the associates of ASIPO in the design and implementation and or upgrade of technological systems.

We are available for a meeting that can demonstrates as described above

Sincerely

Gianni Brusatassi
ASIPO
President
